

EXTENSIONS OF REMARKS

INTRODUCTION OF THE RIGHT TO TRY CLARIFICATION ACT

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 28, 2023

Mr. BLUMENAUER. Mr. Speaker, today I introduced the Right to Try Clarification Act. This legislation would expand access to life-changing treatments by including in the federal Right to Try Act Schedule I substances that have completed phase 1 clinical studies.

Oregon has a long legacy of ensuring that end-of-life patients have access to the full spectrum of treatment options to alleviate their condition and improve their quality of life. Patients and doctors deserve to discuss treatments—including psilocybin—that researchers find provide immediate and sustained relief from pain, anxiety, and depression for people battling terminal illness.

Federal restrictions have obstructed access to end-of-life care for too long, this legislation will change that and ensure that all patients have the Right to Try.

The psychedelics laws in this country are broken, including our laws governing patients' access to new and promising end-of-life care. Forty-one state legislatures have passed Right to Try laws to allow terminally ill patients access to treatments, including psilocybin, that are still in investigational stages. Both psilocybin and MDMA have demonstrated tremendous care potential in phase 1 and phase 2 clinical trials.

The Drug Enforcement Agency, however, has refused to accommodate Right to Try laws and denied terminally ill patients their freedom to elect their preferred treatments. These patients deserve to be able to discuss and pursue treatments with their doctors that researchers are finding provide immediate, substantial, and sustained relief from anxiety and depression for people battling terminal illness. That is why the Right to Try Clarification Act is necessary to ensure patients have the Right to Try these treatment options.

I look forward to working my co-leads Representatives NANCY MACE, MADELINE DEAN, ANDY BIGGS, and LUIS CORREA to enact this legislation and clarify and strengthen the Right to Try.

CLEBURNE COUNTY ADDITION

HON. J. FRENCH HILL

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 28, 2023

Mr. HILL. Mr. Speaker, I rise today to recognize the addition of Cleburne County to the Second District of Arkansas.

Last year during redistricting, the Arkansas state legislature added Cleburne County to the Second Congressional District.

The addition of Cleburne County brings beautiful nature, economic development, and

many other recreational ideas and opportunities to my district.

An active business and civic community, excellent healthcare and educational facilities and opportunities, along with Greers Ferry National Fish Hatchery, Greers Ferry Dam, Rotary Clubs, the Sugarloaf Mountain Trail, and world class fly fishing on the Little Red all are amazing examples of what the county has to offer.

I am proud to now serve those who live in Cleburne County and look forward to representing them in Washington at their U.S. Capitol.

HONORING MARIA FERRARA'S SERVICE AS DIRECTOR OF OPERATIONS

HON. ANGIE CRAIG

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 28, 2023

Ms. CRAIG. Mr. Speaker, I rise today to thank and congratulate Maria Ferrara for four years and two plus Congresses as my Director of Operations.

Maria has been with my office since the early days of my first term starting first as my scheduler and elevating to the absolutely vital role of Director of Operations. For years, Maria has truly kept our office running and functioning at a high capacity.

She's fielded countless meeting requests, hearings and speaking engagements, helped operationalize our office's remote work policies during the pandemic and constantly sought out ways to improve our processes. And she's got the best advice on D.C. restaurants of anyone I know.

I've appreciated Maria's advice and counsel in various roles over the years and wish her the best in her new adventure off the Hill. I'll miss her greatly on my team—and wish her best of luck as she continues on in her career.

VICTORY OVER VIOLENCE KARK/FOX 16

HON. J. FRENCH HILL

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 28, 2023

Mr. HILL. Mr. Speaker, I rise today to highlight the important partnership between the Arkansas Martin Luther King Commission and FOX 16 and KARK television.

In 2017, following the horrible shootings at the Power Ultra Lounge nightclub in Little Rock, FOX 16 and KARK kicked off an important initiative to build grassroots support to reduce violence in central Arkansas.

They called it, "Victory Over Violence".

The goal of the campaign is to unite leaders and groups throughout our local communities to be a resource for reducing violent crime

and changing lives through community improvements.

In January, the Arkansas Martin Luther King Commission presented FOX 16 anchors Donna Terrell and Kevin Kelly with their 2023 Drum Major for Community Leadership award.

The persistence and successful leadership of Donna, Kevin, and all those involved at the Arkansas Martin Luther King Commission, FOX 16, and KARK, they're making an impact on improving the lives and safety and central Arkansans.

I'm grateful for their efforts, their persistent efforts, over all these past years to keep that at the forefront of community activism.

Victory Over Violence is something that we need, and I'm grateful for their leadership.

CELEBRATING THE LIFE OF MR. GEORGE CRABTREE

HON. BILL FOSTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 28, 2023

Mr. FOSTER. Mr. Speaker, I rise today to honor Mr. George Crabtree, an energy trailblazer and fellow scientist whose over five-decade career at Argonne National Laboratory advanced a number of scientific disciplines and inspired colleagues and friends, here and around the world.

Born and raised in Little Rock, Arkansas, George eventually moved to Illinois where he graduated from Proviso West High School. He ultimately joined Argonne National Laboratory as a lab technician in 1964 and received his Ph.D.

George was widely recognized and admired as a brilliant materials scientist and champion

of superconducting materials and better batteries. As director of the U.S. Department of Energy's Joint Center for Energy Storage Research, George bolstered the national agenda to tackle the climate crisis and build a clean and equitable energy economy. He helped pioneer early research into high-temperature superconductors and in them, he discovered new phases of superconducting vortex matter. George's research on superconductors gained him recognition as a member of the American Association for the Advancement of Science, the American Physical Society, and the National Academy of Sciences.

In addition to his work at Argonne, George was a professor of physics at Northern Illinois University for 13 years and a Professor of Physics at the University of Illinois at Chicago for 12 years.

George was a luminary in every sense of the word, and his work and dedication to the global scientific community will not be forgotten. Mr. Speaker, please join me as I celebrate the life and legacy of Mr. George Crabtree.

INTRODUCTION OF THE SPECIAL IMMIGRANT VISAS FOR AFGHAN FULBRIGHT SCHOLARS ACT

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 28, 2023

Mr. GARAMENDI. Mr. Speaker, today I introduce the "Special Immigrant Visas for Afghan Fulbright Scholars Act". The legislation would direct the State Department to automatically issue a Special Immigrant Visa (SIV) for every Afghan who lived in the United States as a Fulbright Scholar and their immediate family members so they can escape persecution by the Taliban and relocate safely to the United States.

During Operation Enduring Freedom and the U.S. military drawdown from the region, my office helped to evacuate 251 individuals from Afghanistan. This includes American citizens, Afghan interpreters, and Special Immigrant Visa recipients. During the evacuation process, I helped evacuate over a dozen Afghan Fulbright Scholars who studied at the University of California, Davis. That experience exposed significant challenges for Afghan Fulbright Scholars with the current SIV process that underscored the need for the "Special Immigrant Visas for Afghan Fulbright Scholars Act."

In 2009, Congress passed the Afghan Allies Protection Act of 2009 (Title VI of Public Law 111-8) making a special class of American visas—known as Special Immigrant Visas—available to individual Afghan allies who supported the United States' mission in Afghanistan since the September 11, 2001 attacks. An SIV entitles a foreign national to relocate and live lawfully in the United States on a temporary basis with the option to settle permanently.

Fulbright Scholarships are one of the most vital U.S. cultural exchange programs that help to improve intercultural relations, diplomacy, and coordination between the United States and other countries. When my Congressional office learned that UC Davis' Fulbright participants were stuck attempting to es-

cape Afghanistan last year, we immediately worked around-the-clock with both the State Department and the U.S. military to evacuate these Afghan allies. That critical work revealed red tape that prevented current and former Afghan Fulbright Scholars from escaping Taliban rule. My "Special Immigrant Visas for Afghan Fulbright Scholars Act" would automatically issue a Special Immigrant Visa to all current and former Afghan Fulbright Scholars to help any remaining Scholars and their immediate family members safely evacuate the region.

This is the right thing to do for our Afghan allies who stood with the United States against the Taliban and the terrorists responsible for the 9/11 attacks, and I will work tirelessly to ensure see them brought safely to America.

NATIONAL HOSTAGE AND WRONGFUL DETAINEE DAY

HON. J. FRENCH HILL

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 28, 2023

Mr. HILL. Mr. Speaker, I rise today to commemorate National Hostage and Wrongful Detainee Day.

I along with my Democratic colleague, Congresswoman HALEY STEVENS, reintroduced our legislation yesterday that establishes March 9 as National Hostage and Wrongful Detainee Day.

On March 9, 2007, Robert Levinson disappeared in Iran.

He never returned home.

The commemoration of this national day brings attention to Americans that are being unjustly held as wrongful detainees and hostages in a foreign land.

Since the Levinson Act was signed into law two years ago, we've heard from families and organizations that are dedicated to helping bring wrongful detainees and hostages home and how the law is working.

We're learning more about how the Levinson Act is being used since it's become law.

And it's time for the House Foreign Affairs Committee to conduct oversight and see what potential changes should be made.

I helped create in the last Congress, the Congressional Task Force on American Hostages and Americans Wrongfully Detained Abroad, because one of my constituents disappeared on a visit to Syria. Majd Kamalmaz is still held by the Assad regime in Syria.

Majd and his wonderful family lived for a time in my hometown of Little Rock.

And every member of Congress is dedicated to the more than 50 Americans who right now are held against their will wrongfully in a country around the world.

We all want to bring home Majd and every other American that's being held wrongfully.

I'm proud to be a part of this Task Force and work alongside my friend, Congresswoman STEVENS.

I thank all those who are involved in their daily awareness to bring wrongful detainees and hostages around the world home to their families in our great country.
